

MATEUSZ  
ZARZYCKI

CURRICULUM  
VITAE

## PERSONAL

### Name

Mateusz Zarzycki

### Birthday

25th Of December 2000

### Languages

Polish, English B1

## CONTACT

### Email

mzarzycki.dev@gmail.com

### Phone Number

782 089 563

## GIT

### Portfolio - Link

[https://github.com/  
manyinc?tab=repositories](https://github.com/manyinc?tab=repositories)

## SOFTWARE

### Python - Mid

### SQL - Junior

### Windows - Expert

### Linux - Junior

### Microsoft Administrator - Mid

## PROFILE

I am a programmer specializing in Python. My programming passion focuses primarily on process automation. I create scripts that effectively streamline and optimize various operations and tasks. I am also interested in BigData technologies, I co-created a project based on Azure Data Factory aimed at combining data from many different environments and unifying them into an MS SQL database.

## SKILLS

- SYSTEM AUTOMATION
- DATABASE OPERATIONS AUTOMATION
- EMAIL AUTOMATION
- FILE AND FOLDER MONITORING
- WEB SCRAPING
- SCRIPT AUTOMATION
